

MESSAGE

In this Jubilee Year of Mercy, heartened and stimulated by the message of Pope Francis that he addressed personally to the XX General Chapter 2016, we cherish his words.

Pope Francis appeals to us in light of our charism as Pallottine Missionary Sisters:

- deepening the bonds of friendship and community;
- uniting ourselves in service to society and the Church: especially the poor, the forgotten, and those most in need;
- rekindling our mission of evangelization with the Gospel's freshness, and by this freshness to form new expressions for the signs of the time.

Therefore, let us awake! Let us do *everything* in our communities for the Word of the Gospel to become life: "new avenues arise, new paths of creativity open up, with different forms of expression, more eloquent signs and words with new meaning for today's world" (*Evangelii Gaudium*, 11).
